

## **Sigma Lambda Chi Chi Honorees**

August 13, 1975 Faculty Minutes (from Faculty Retreat) show official approval for the St. Louis Christian College Honor Society - Sigma Lambda Chi Chi.

August 28, 1975 Faculty Minutes show some revision.

***Sigma Lambda Chi Chi Honor Society***— An invitation for membership in Sigma Lambda Chi Chi, the St. Louis Christian College Honor Society, is extended to seniors elected by the faculty. Generally no more than 25 percent of the graduating class is elected for membership. Seniors submit an application to be considered for this honor. Selection is based on the following criteria:

- ◆ *Scholarship*—exemplary scholarship as demonstrated by a minimum cumulative GPA of 3.40.
- ◆ *Leadership*—exemplary leadership demonstrated in applicable on-campus and off-campus leadership situations,
- ◆ *Contribution*—exemplary contribution to the College community and/or those church, para-church and community organizations the College serves.
- ◆ *Character*—exemplary character as demonstrated by adherence to high moral Christian standards and superior fulfillment of Compass requirements.

### **1976**

Neither the faculty minutes nor the Commencement program lists the honorees from the class of 1976. However, August 28, 1975 minutes say, “Diane Lewis and Randy Mathews were selected by secret ballot as candidates for the Honor Society.”

April 29, 1976 faculty minutes say they extended membership to graduates of ten or more years.

April 30, 1976 faculty minutes say four alumni were given membership:

Robert Shell ('62), Raymond Bowen ('64), Sandra Ganzer Kast ('64), Paul Boatman ('66)
